

# City Combifold

This is a Combigolf facility for smaller areas and provides the ideal course for camping sites, holiday camps, schools and hospitals. Holes and guide ropes, built in centres and over the playing garden. Combigolf courses offer 9 different combinations by using the alternative structures provided as detailed below:

## Straight Fairway

For holes 1, 2, 3, 7 and 8 with obstacles Part 1 triangle @ poles, part 2 gate, part 3 side gate.

## Raised Fairway

For holes 2, 4, 8 and 9 with 4 obstacles Part 1 triangle @ poles, part 4 arch, part 5 block.

## Layout for 9 holes

### Holes 1 and 3

Hole 1 all obstacles fixed.  
Hole 3 part 2, gate in position.

### Hole 2

All obstacles fixed.

### Hole 5

Both part 1 triangles in position with part 2, gate fixed.

### Hole 4

Part 1 one triangle and part 5, End block in position with part 4. Arch raised.

### Hole 7

Part 3 side gate and part 1 triangles in position with part 2, gate fixed.

### Hole 6

Part 1 both triangles in position, Part 4 arch and part 5, End block raised.

### Hole 9

Part 3 side gate down with part 1, Triangles and part 2 gate fixed.

### Hole 8
